DO YOU HAVE FAITH IN THE SDGs?

Faith-sensitive gender justice mainstreaming in
Faith Based organizations

AN OPPORTUNITY FOR...

- **Sharing lessons learnt** from gender-mainstreaming in Faith based Organizations (FBOs) and concrete contributions on the SDG implementation, in particular SDG 5, in contexts such as South Sudan, Uganda, Central America, Myanmar, Yemen, Ethiopia, among others.
- **Sharing case-based evidence** of the role FBOs play in tackling gender injustice, empowering women and involving young and adult men in efforts to reduce gender-based violence.
- **Interacting with participants on channels to influence** the policy-makers and national delegations to include faith, faith actors or FBOs in the outcome document of CSW 62.

PANEL
