Welcome to the International Day of Tolerance Celebration

Side Events Accompanying the Conference in Celebration of the International Day of Tolerance

Photovoice Exhibition

An exhibition of images documented by Omanis and residents of different nationalities and religions reflecting the reality of tolerance and coexistence in the Sultanate of Oman, through which the participants bring visions and perspectives that raise awareness of the importance of shared human values.

Sultanate of Oman's Message of Islam Exhibition

An international exhibition that toured the world in 133 stations, a national project from the Sultanate of Oman that seeks to reflect the true image of the life in the Sultanate of Oman by presenting a civilized model of fostering global peace and diversity.

Message of Peace: From the Sultanate of Oman to the World

A painting created by a group of artists of Omanis and multiple nationalities.

Act for Tolerance

A media campaign targeting social media platforms to promote shared human values.
